“I lost my heart to [Robertson’s] Mataquemada 2021 Garnacha field-blend.”

“The nose of the 2021 Mataquemada is an explosion of thyme and other aromatic herbs and spices, developing acute notes of nutmeg... It’s showy, expressive, nuanced, floral, elegant, fresh and ethereal but with lots of energy and light, a wine of power and finesse and lots of aromatic complexity. Super.”

“With aromas of mountain herbs, balsamic notes and petrichor, the wine is elegant and direct with a red cherry core. A wonderfully unique and profound wine that expresses the rugged freshness of the wilds of Calatayud”
